Signed:

Shaleen Narayan
Manager Approvals Operations

Certificate Issued on 15-Oct-2025

This certificate is a record of the product approval that was current on the date the certificate was issued. It reflects the public register entry for the product at that time. From time to time the wording of registration conditions may change, resulting in a change on the public register for that product. As a certificate is not necessarily re-issued for such changes, consult the public register for the current approval of the product

CONDITIONS

- 2 The product must be manufactured in accordance with the Ministry for Primary Industries Standard for Good Manufacturing Practice and to the chemistry and manufacturing specifications provided by the registrant and approved as part of the registration.

- 31 This product must only be used as specified in the label content.

- 37 Ongoing obligations:
The registrant must provide an annual summary of adverse events to the Ministry for Primary Industries. Adverse events which have serious implications for the continued use of the product must be notified immediately.
The registrant must also advise the Ministry for Primary Industries of any new studies or data that contradict information previously supplied.

- 51 Vertebrate Toxic Agents: In addition to any labelling, advertising or promotion requirements specified in the current registration, labelling, advertising or promotion of the product must comply with the current Ministry for Primary Industries - New Zealand Labelling and Advertising Guide for Vertebrate Toxic Agents Requiring Registration
