

**CAUTION**  
**KEEP OUT OF REACH OF CHILDREN**

**EVOLVE™**  
**A soft bait to reduce fertility in rats.**

**ACTIVE INGREDIENT:** Contains Gossypol in the form of 0.1% (w/w) cottonseed oil and meal in a ready-to-use bait.

Net contents: [0.5 – 18 kg]  
Contains approximately 16 – 640 pieces (28g each).

#### **DIRECTIONS FOR USE**

**READ THE ENTIRE LABEL.**

Follow all use directions and use precautions. Use only for sites, pests and application methods described on this label. For use only in bait stations.

**USE RESTRICTIONS:** **1.** Bait must not be deployed in areas where contamination of food, water or surfaces that come in direct contact with food is possible. **2.** Do not dilute or add anything to the product. **3.** Store and deploy bait out of reach of children, pets, domestic animals and non-target wildlife or in tamper-resistant bait stations.

**SELECTION OF TREATMENT AREAS:** This product is for use in commercial, residential and agricultural sites. Determine areas where rats are most likely to find and consume bait. These areas can include concealed areas along walls, near burrows, near structural openings in the floor, wall, ceiling or in hard-to-reach areas (e.g. in rafters, beams or attics) or where other signs of rat activity have been observed. Reassess activity for changes in placement (e.g. due to seasonal changes or construction). Multiple bait stations may be placed in foraging areas or high activity locations as needed.

**APPLICATION DIRECTIONS:** **1.** Place 2 to 12 pieces per placement. **2.** Adjust the amount of bait applied at each placement based upon rat activity levels. **3.** Maintain and uninterrupted supply of bait. Check and replace bait as necessary.

#### **PRECAUTIONS**

Hazards to humans and domestic animals.

**CAUTION:** Contact with eyes may cause irritation. Wash hands thoroughly after handling. Personal protective equipment: Wear protective gloves and clothes. Safety glasses recommended.

Treatment for Pet ingestion: If animal consumes bait and adverse effects are observed, call a veterinarian.

#### **FIRST AID**

**If on skin:** Take off contaminated clothing. Wash with plenty of soap and water.

**If in eyes:** Rinse cautiously with water for several minutes.

**If ingested:** Do not induce vomiting. Call a Poison Centre (in NZ: 0800 POISON or 0800 764766) or doctor if you feel unwell.

#### **STORAGE AND DISPOSAL**

Store away from water. Store only in original, tightly secured containers at room temperature, inaccessible to unauthorized users, children, pets, livestock and other non-target animals.

Disposal: Dispose of product packaging, unused bait and unconsumed bait via a licensed landfill.

**DISCLAIMER** To the extend consistent with applicable law, seller makes no warranty, expressed or implied, concerning the use of the product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
